## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 2, 4, 5, 9-13, 22, and 23 are allowed over prior art of record.

### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance:

The prior art of record neither anticipates nor renders obvious the claimed subject matter of the instant application as a whole either taken alone or in combination, in particular, prior art of record does not teach "arranging a carbon barrier on an upper surface of the photoresist layer, wherein the mixing and the applying comprise a plasma etching process," as recited in claim 1.

Claims 4, 5, 9-13, 22 and 23 are also allowed as being directly or indirectly dependent of the allowed independent base claim.

### ***Conclusion***

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Correspondence***
